Are you ready for the NDIS?

Let's work it out together

If you have a disability, the NDIS is an exciting opportunity to live the life you want, through greater choice, control and a plan that meets your individual needs.

Will I be eligible?

The National Disability Insurance Agency (NDIA) works out if you are eligible for the scheme.

You may be eligible if you are:

- under 65 years of age when you first access the scheme (or under 55 for Aboriginal and Torres Strait Islander people)
- an Australian citizen or permanent resident
- have a permanent or significant disability.

Getting ready - follow-up meetings

By attending an information session, you can take advantage of an NDIS focused one-on-one or group meeting. Hosted by the Community Centre, these meetings will be a great way to progress your NDIS pre-planning and to get answers to the questions that are important to you.
