

All For One Community Wellness Expo...

20th February 2020 - Capalaba Square - 4pm to 7pm
An initiative of the Redland Community Centre

Stall Holder Invitation

Redland Community Centre is commencing a new community wellness project with support of the Australian Government.

The 'All for One Wellness' (A4OW) project aims to unite both the community and service providers towards a brighter future of improved health and fulfilment resulting in improved social outcomes; identified as 'wellness'.

The main aims of the A4OW project are to build resilience and capacity in our community by firstly responding to community need or crisis and secondly moving to initiate client focused conversations and plans to remove barriers creating a mindset for longer term 'wellness'.

The A4OW project focuses on the three major areas of wellbeing; mental, physical and social. As part of the program connections to no/low cost services and programs will be initiated to assist clients develop their focus for 'wellness'; building their capacity and confidence towards proactive self-help and early intervention services.

The All for One Wellness Expo will be our launch in the Redland Community, the expo will include information stalls, health checks, food trucks, activities, prizes and more, providing the community an opportunity to learn about the services and activities available to them locally.

To do this we need as many services as possible to partner with us and support this event and would love you to be involved through the provision of a stall promoting your service and providing extra activities for the day....

Also... as you will see on the form we are seeking your support in helping each other out. If you have extra pop-tops, chairs, tables etc that you are willing to share please note it on the form so that we can coordinate connecting you should other services / groups not have these.

To register please complete the attached form and forward along with a copy of your Certificate of Currency (Public Liability Insurance) to the Redland Community Centre ASAP

Kind regards

Kara

Wellness Coordinator
